Winnipeg Sports Car Club
DirtX Regulations

General Information

DirtX is a demonstrative discipline and all regulations are subject to immediate change without notice. The goal for 2021 is to garner some interest and keep it FUN. We recommend using extremely low cost, stock vehicles for the time being.

June 19 - 20th	DirtX Event #1
July 24 - 25th	Tentative Event
September TBA	Tentative Event

Online Registration

There will be a **mandatory** online registration process @ wsccracing.com

Daily Registration $25 + Annual or Daily ($10) WSCC membership required.

.

Race Officials

Race Director	Al Marcoux
Clerk of the Course	Jennifer Bell - Mat Leveille
Chief Course Marshal	Scott McDonald

Car Classifications

AWD - Open
FWD - Open
RWD - Open

Race cars (caged) will need all proper safety equipment. NO expired equipment - Please see Al Marcoux if you are planning on racing a caged car.

All vehicles need to be complete ie. Doors, Hatches, Bumpers etc.

Cars without glass require window nets and full face helmets.

All loose items must be removed prior to track entry ie. floormats etc.

Vehicle must be dimensionally wider than tall.

Safety Inspection

All cars must pass Safety Inspection before admittance to the track. All drivers must present personal safety equipment to the Tech Inspector. It is the responsibility of the competitor to fill out the Tech Inspection Sheet at or prior to registration.

- SA2010 Helmet or newer & OEM 3 point harness in good condition are the minimum required safety equipment.

No trophy or checkered flag is worth more than friendship or injury. No professional talent scouts are lurking in our midst. **Seat Time** is the path to expanding the limit of car and driver.

Winnipeg Sports Car Club
DirtX Regulations

Rules of the DirtX Event Venue

- Every entrant shall sign the waiver at the gate or Registration.
- During the Covid 19 Pandemic we will comply with all restrictions imposed by the Manitoba Department of Health. There will be no spectators at these events until that is approved by the province. Only participants will be permitted into the park. Pit crew will be considered participants as well as drivers and track staff. All participants will maintain the prescribed social distance of 2 meters.
- Any offensive, defamatory or vulgar messages must be completely removed or masked over prior to arrival.
- An entrant is responsible at all times for all guests and crew.
- All non race track areas have a STRICT speed limit of 10 Km/h
- Only registered competition vehicles will be allowed paddock space.
- Any vehicle which utilizes a lithium based battery system is forbidden from driving on the track surface at any time.
- Pit space will be first come, first served. Sharing of pits is permitted (canopies, etc)
- No vehicles or equipment will extend past the gate area.
- There will be no parking along the fence.
- No individual shall cross the racing surface without authorization from a track official during the schedule of events.
- No mind altering substances permitted until the checkered flag flies on the last race of the day. (Alcoholic, Cannabinoid or otherwise)
- All pets must be kept on leash AT ALL TIMES.
- Children 12 and under must accompanied by an adult at all times.
- Motorized pit vehicles are to be operated by licensed drivers only and must carry their car number so staff can identify the owner when they need to be moved.

Clean Up:

The venue is a private residence and as such, the WSCC and its members are responsible for ALL clean up and site repairs after each event. (pack out what you pack in. No Garbage facilities will be provided)

- A $50 clean-up fee and/or refusal of subsequent entry WILL be applied to competitors leaving the pits in other than clean condition.

Infractions may result in ejection from the facility without recourse at the discretion of the Race Officials.
